

Please join us in celebrating the
Annunciation and Incarnation
of the Lord

Monday 4 April 2005 7:00 PM

Saint Charles Borromeo Church
4500 Ackerman Blvd, Kettering

God's taking a human nature in the person of Jesus Christ is the greatest event in all of human history. God becoming Man and being willing to suffer and die so that each of us can share in His eternal life is the ultimate act of love.

At Mary's acceptance of the Father's invitation, Jesus was conceived by the power of the Holy Spirit and became incarnate in Mary.

God's becoming one of us (adding human nature to His divine nature) makes Jesus our brother. His Incarnation thus elevates the dignity of all human life, from conception to natural death, and for all eternity.

The Knights of Columbus and other groups recognize the Feast of the Annunciation as the 'Day of the Unborn Child' thereby connecting the beginning of Jesus' human life to the beginning of every human life.

There is ample reason for great joy and celebration!
